

**IWAGS SPECIALTY SHOW**  
**Sunday & Monday, October 30 & 31, 2011**  
**Shepherd Lake Recreation Area**  
**Ringwood State Park, NJ**

**Veteran and Regular Sweepstakes Judge, Glynis Littlewood**

This show will go down in the history books. A freak blizzard in October with power outages, over a foot of snow and no way to enter the park, with trees down, snow downing the tents etc. etc. The show committee finally deciding to hold the two day's in one on the Monday. The parking lot was ploughed so we could judge there. I think the ice in some spots and the hard ground was detrimental to some hounds whose movement seemed compromised. I want to thank the show committee for supplying coffee and sandwiches and the great hospitality. Special thanks to my stewards for helping me to keep on schedule. It was a rush and several photos did not get taken, as we didn't want to hold up Tim's judging. Thank you exhibitors who made it and braved the weather conditions and thank you to IWAGS for giving me the opportunity to judge a great group of hounds. The show went on.
